

CVC Membership Meeting & Potluck

December 8, 2015

Jacob Smith House, Lacey, WA

Following the potluck, President Liz Morrison called the meeting to order at 7:55 pm. New members were welcomed and the events and distance awards were announced. The November minutes were voted on and accepted as written. The membership voted to give \$100 to the United Churches for the use of their facilities for our recent Christmas walking event. This year is the first time we have lost money on this event. It was felt that our rainy weather was the cause of the low turnout. Special thanks were given to Perki Sweet for her PR work, Linda Polzin for scheduling the walks for the coming year, Bonnie Tucker & Linda Polzin for setting up the checkpoint for the Christmas walk, Susan Berry for the Christmas walk and set up details and Bill & Holly Spaulding for their work on the walk route and all the preparations for the Jacob Smith House and the holiday potluck. The vote for Tom Baltus for Deputy Regional Director was unanimous.
