CVC Board meeting Tuesday, September 8, 2015 at 5:30 PM at Izzy's Restaurant, 3540 SE Pacific Ave. in Olympia

August has been a busy month. A big highlight was the annual CVC pot luck picnic. This year it was held at Priest Point Park. We were led in an interesting new walk by Bill Spaulding. It was a hot evening, but the walk was great! We had a lot of food and cold drinks when we got back. So good! I think we could have stayed till the wee hours eating it all. The best part was honoring our three life time members. Susan Berry, Val Lance, and Harry Saukants were all at the picnic. It was a great honor to present these three with certificates showing our appreciation for their long time commitment to our club along with all the work they have done for CVC and Volkssporting.

There also has been a lot of walking going on this month. Several CVC members traveled to Point Roberts for a wonderful walk after driving across the border and back. What fun! Our weekly walks' attendance has been good. It is wonderful to see new faces joining us, too. It is also good to know that volkssporters walk in rain and hot sunshine! It has been quite a summer.

Looking ahead to September, our board meeting will be September 8 at Izzy's Pizza with no host dinner at 5:30 and meeting at 6:15. There also is the fun Whidbey Walking Festival September 11-13. I am also looking forward to the Great Columbia Crossing on October 11. If you are planning on this walk, be sure to sign up online at www.greatcolumbiacrossing.com 3500 walkers, it is closed to anyone else.

One more reminder. In January all our advertising for our weekly walks will state to be at the start point at 9:45. Walks will begin at 10:00 sharp including remote starts. I am working on leaving my house a little earlier to accommodate this change so I will be ready in January! Happy Walking!

Liz

CVC members walk at Point Roberts

Eleven members of the Capitol Volkssport Club joined 150 others at the Point Roberts walk on Saturday, August 15, for an international walking event. Point Roberts is a unique part of Washington State situated on a peninsula reached by driving through southwest British Columbia. It took four border crossings for Washingtonians to do this walk. . . but it was worth it!

After a very wet Friday, it was pleasant to have the sun shine on us as we walked around Point Roberts. The walk began along the beach beside the Strait of Georgia and continued through a park and a marina. At one point we were walking down the road in a residential area with Canada on the right and the USA on the left. When we came to the historic boundary marker #1, we had fellow walkers take our picture. This was Bob and Sheila's first "Border Crossings" stamp in their book! For Peter and Perki, Whatcom County completed their 39 Counties challenge!

The walk culminated with burgers, salad and drinks at Kiniski's Reef Tavern. If was great to sit down and visit with friends after the 11K walk. Thanks to the NW Tulip Trekkers for hosting such a fun event!

2015 GREAT COLUMBIA CROSS-ING OCTOBER 11. 2015

Whether you're an experienced runner or looking for a family friendly event, the Great Columbia Crossing 10k appeals to everyone. The Great Columbia Crossing 10k run is an OF-FICIAL USA Track & Field Certified Event (#OR12025LB).

Experience the glory of the Great Columbia River as you trek across the Astoria Megler Bridge during this unique opportunity to walk/run across the bridge! The 10k offers a scenic adventure on a fairly flat road with one STEEP incline to the peak of the bridge. It is the longest continuous truss bridge in North America.
