

On Thursday, May 25, 2017 ESVA President Sharon Moats traveled to Tenino to present awards to the winners of the 2017 ESVA Winter Walking Challenge. The challenge was to do the most walks during the winter of 2017 – a very damp proposition, that – and CVC members distinguished themselves. Winners were as follows:

First place went to Chase Davis of CVC with 101 walks

Second place was won by Don Whitt of the Interlaken Trailblazers Volkssport Club,
who did 93 walks

Third place went to Bonnie Tucker of CVC with 80 walks

Congratulations to the winners, and to all those who participated!
